Atlanta Children's Shelter is a safe haven for homeless children and their families. Teachers, case managers, and volunteers provide comfort, safety, and love. They also provide employment services, family counseling, housing assistance, nutritional meals, immunizations, and educational opportunities. Services are offered free of charge for as long as they are needed.

Two times each year, KFC restaurants owned by KBP Foods sell coupon books to raise money for local charity partners. Through the generous support of our customers, KBP Foods has donated nearly \$1,430,000 to Atlanta Children's Shelter.
